About Mattias Edstrom

Mattias Edstrom died in February 2020 at age 11. An outstanding student, Mattias started his education at Play Care in the Two's Program. During his years at Play Care, he received an excellent education that well prepared him for the Chappaqua Central School District, and Mattias made many close friends. As a Boy Scout and a member of the First Congregational Church of Chappaqua, Mattias learned the virtue of community service. By creating a needs-based scholarship for local families to access high-quality early care and education, we are honoring his passion for service and his love of community.
